## Schedule A – Direct Contributions

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and the same from political parties and enter these sums as unitemized contributions on their respective lines below and on the next page. Any contribution of more than \$100 or aggregate during a calendar year from an individual or political party and all contributions from PAC's must be entered as a separate item (itemized) giving the amount, name, address and place of employment (if applicable) of the contributor. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space, or you may attach additional sheets of paper.

This line graph shows the percentage of respondents who believe that the U.S. has the right to intervene militarily in other countries' affairs, broken down by age group. The x-axis represents age groups from 18-29 to 60+. The y-axis represents the percentage from 0% to 70%. Two lines are plotted: one for 'U.S. has the right' (solid line) and one for 'U.S. does not have the right' (dashed line). Both lines show a general downward trend as age increases.

Age Group	U.S. has the right (%)	U.S. does not have the right (%)
